Born Stage Ready.

The Electro-Voice logo, consisting of the letters 'EV' in a bold, sans-serif font, is centered within a white square border. The logo is positioned on a dark, textured surface that appears to be a speaker grille with a circular pattern.

Clear, powerful, and musical, Electro-Voice loudspeakers command the stage at high-profile venues and major events worldwide. Born stage-ready, the Live X series includes powered and passive models that all feature Electro-Voice-engineered components in solid wood cabinets. Wherever performance matters, Live X is serious gear for serious sound.

Live X Passive Loudspeakers

A man with short dark hair and a beard is shown from the chest up, playing a guitar. He is wearing a dark t-shirt and a necklace. The background is dark with warm, orange-red stage lighting. The lighting is soft and focused on the man, creating a moody atmosphere. The guitar is partially visible at the bottom right of the frame.

The Live X series includes four versatile solid wood passive cabinets — three loudspeakers, including a formidable dual-15" configuration, and an acoustically matched 18" subwoofer that supports pole-mounted or stacked configurations.
